

Upcoming HCQC Applicant Training Schedule

The following trainings are required as part of the initial license application process for each facility type (PCA, HIRC, or AGC) for which a person is applying to be licensed. At least one person (operator, administrator, director or other representative) from the facility or agency must attend the appropriate applicant training before the license application is considered complete. (Due to space limitations, no more than two individuals per facility or agency may attend a single training.)

- Residential Facilities for Groups (AGC)
- Homes for Individual Residential Care (HIRC)
- Personal Care Agency (PCA)

Trainings will be video conferenced between HCQC offices:

- Carson City – 727 Fairview Drive, Carson City 89701.
- Las Vegas – 4220 S. Maryland Parkway, Bldg. D, Suite 810, Las Vegas 89119.

To receive the dates of a particular training, call (702) 486-6515 and ask to be added to the AGC, HIRC or PCA training list and the location where you will attend the training (Las Vegas or Carson City).

Applicants for each of the following facility types are required to take a training course in the Nevada Automated Background System (NABS):

- Agency to provide personal care services in the home (PCA)
- Agency to provide nursing in the home (HHA)
- Facility for intermediate care (ICF or IMR)
- Facility for skilled nursing (SNF)
- Residential facility for groups (AGC)
- Program of hospice care (HPC)
- Home for individual residential care (HIC)
- Facility for care of adults during the day (ADC)
- Facility for hospice care (HFS)
- Nursing pool (NSP)
- Medical facility that provides residential services to children
- Facility for the treatment of abuse of alcohol or drugs (ADA) that provides residential services to children
- Hospitals (HOS) that:
 - Plan on becoming federally designated as a long-term acute care hospital
 - Plan on having a distinct part skilled nursing facility or nursing facility
 - Plan on providing swing-bed services
